

Mine Shaft Winders

Expressions of Interest

ENDS 2pm (WST) Tuesday 14th December 2021

On behalf of a leading resource company, Expressions of Interest (EOI) are sought for the purchase of Mine Shaft Winders and ancillary equipment located in South Australia.

4 different categories of winders and ancillary equipment are available:

2017 Double Drum, Haulage Winder (500m) and ancillary equipment

2017 Single Drum Service Winder (500m) and ancillary equipment

2x 2017 HES Mine Winders (530m) and ancillary equipment

3 x 2017 MCA-MR 1200 Winders (650m) and ancillary equipment

Please refer to the additional downloads for full details including specifications and inclusions.

Note: Cable and PLC software not included. Not compliant with MDG33

Expressions of Interest are sought in a 2 stage process.

Stage 1

Interested parties are invited to submit a non binding indication of the amount they would be prepared to offer for each package.

Stage 2

All indicative offers received (Stage 1) will be considered and provided the offers are in an acceptable range, progression to inspections and the lodgement of a formal offer will follow.

Removal & Collections

The vendor will be responsible for the removal and loading of all winders and ancillary equipment. The purchaser will be responsible to arrange and supply suitable transport for collection.
